## Policy for Sibling

(Effective for students admitted in session 2025-26 onwards)

The newly admitted student will be granted for fee relaxation as per following table in case of being real brother/sister of a student studying in UGI at the time admission only (Not applicable to Alumni).

| S.No. | Range of Fee for all courses in Rs. | Amount of Fee which will be relaxed in Rs. |
|-------|-------------------------------------|--------------------------------------------|
| 1.    | Up to 60000                         | 10000                                      |
| 2.    | From 61000 to 110000                | 15000                                      |
| 3.    | Above than 110000                   | 20000                                      |

- If the real brothers/sisters are being admitted in same course year, the awarded amount will be divided equally for both students.
- The Students, who will be covered under UGI run scheme i.e. Merit Scholarship (UIM and FUGS), Sibling and Course up gradation policy, will be awarded for only one scheme whichever of the mentioned three schemes have the higher amount of scheme on priority basis.

### For Renewal: -

It is mandatory that the student admitted shall have to maintain a minimum of **7.5 SGPA** with no back paper in regular semester, falling which the fee relaxation shall be discontinued.

### Common Note: -

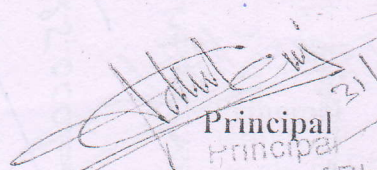

- Fee relaxation, once discontinued, will not be reinstated under any circumstances.
- Student can't avail multiple Fee relaxation /Scholarship at any given point of time.
