

A Webinar on
“Intellectual Property Rights (IPR) Career and Future Perspective”
Organized by United Institute of Pharmacy

DATE- 11/04/2023

Our Nation is commemorating the **75th Anniversary of India's Independence** and on this occasion a campaign **“Azadika Amrit Mahotsav”** is being run by the Government of India. The office of the Controller General of Patents, Design and Trademarks (CGPDTM) has launched the **“National Intellectual Property Awareness Mission (NIPAM)”**, under which awareness has been imparted to 1 million participants on Intellectual Property Rights (IPRs) during the period 15th August 2021 to 15th August 2022.

Now, the second leg of this mission NIPAM 2.0 has been commissioned from 16th August 2022. As part of said Mission, **United Institute of Pharmacy** Organized one day **Webinar on Intellectual Property Rights (IPR) Career and Future Perspective**, on 11th April 2023. The guest speaker **Dr. Shahida Umar**, Examiner of Patents and Designs, Patent office Delhi, ministry of Commerce and Industry, Govt. of India given the presentation on Intellectual Property rights. She told that how to file patent application in India and What to do? She said intellectual Property Rights is a collective term for different IP rights to protect Different types of creative or Scientific/ Technological works.

She told patent is an exclusive right granted by sovereign or state for a limited period, to an applicant to stop others from making, using, exercising, vending and importing an invention in exchange for disclosing it in the patent specification.

The event was concluded with the vote-of-thanks given by Dr. Alok Mukerjee Principal UIP.

Glimpses of the event:
